MAD ABOUT RIESLING

Riesling is a great friend of Southeast Asian & The Malaya's cuisine. The acidity, freshness, generally lower alcohol, and (sometimes) sweetness work to temper the chilli heat, while the tangy citrus flavours, floral aromatics and minerality compliment the intense and spice-driven flavour profiles

We've assembled a selection of some of our favourite rieslings in a range of styles from bone-dry Australian icons to benchmark sweet German Auslese and many inbetween.

A hallmark of great riesling is the ability to balance sweetness with acidity to enhance complexity and intensity with neither feeling out of place - a quality exemplified beautifully in the sweeter wines below.
